

Jost Lammers

CEO Budapest Airport

Jost Lammers has been CEO and member of the Board of Directors of Budapest Airport since 2007 and member of the Supervisory Board of Hamburg Airport since 2016. He graduated in economics from the University of Witten/Herdecke and began his aviation career with HOCHTIEF AirPort in 1996. Before his current assignment to BUD, he worked as Managing Director at Flughafen Düsseldorf Ground Handling GmbH, after gaining professional experience at Athens International Airport.
