

**ECAC/39**

**Closing remarks by ECAC President**

1. We have now reached the end of ECAC's 39<sup>th</sup> Plenary (Triennial) Session. ECAC has been honoured by the presence of the President of the Council of ICAO, Salvatore Sciacchitano, the ICAO Secretary General elect, Mr Juan Carlos Salazar.
2. We have also had the privilege to be joined by so many senior delegations from beyond Europe. I thank you all, very warmly, for your participation in this ECAC Triennial Session. It demonstrates that, as air transport and our relationships mature, so does our commitment to ever-increasing cooperation and coordination at the global level, as we share also common challenges, now more than ever
3. To ECAC's Member States delegations: it has been a pleasure to "see" you all together in our ECAC family. Thank you for your participation in this virtual Session, for your active contribution to the activities of the organisation, and for granting ECAC an ambitious and solid work programme and budget for the next triennium.
4. It is also time for me to congratulate the newly appointed President and Coordinating Committee members who will play such a critical role in steering our organisation.
5. Finally, I wish to thank very much the Secretariat of ECAC which has organised so carefully this Session.
6. I declare now closed the 39<sup>th</sup> Triennial Session of ECAC and look forward to seeing you, in a different capacity, in the future.
